

From the desk of the Secretary.....

Spread the word on Civility, how you can help.

Hello Brethren and Friends of Oakland Durant Rockridge Lodge 188,

In our last Trestleboard MW Russ Charvonja recognized the efforts of our lodge toward the Civility effort. Our major contribution is our online Masonic presence at [www.MasonicCivility.org](http://www.MasonicCivility.org).

This site is designed to be "the resource" for Masonic articles and thoughts on Civility. Essentially the place where various Masonic Civility resources are available for Masons worldwide.

We have several articles there. Many have been contributed by various Masons throughout the United States, and outside the United States.

However this is just a start. And this is where you can contribute.

If you are aware of articles or resources, or are willing to write articles related to Civility and Masonry, now is the time to do it.

Let us show that Masonry and Civility are integral to Oakland Durant Rockridge Lodge.  
Contribute to [www.MasonicCivility.org](http://www.MasonicCivility.org)

Fraternally,

Lawrence Altomare  
Lodge Secretary
